SVCC HOLDS FIRST EVER MONTHLY DIGITAL IMAGE COMPETITION

October 10th marked the first time in club history that members submitted digital images for monthly competition. Images were projected through a LCD projector and judged in a similar manner to slides. Many thanks to David Sams for critiquing both our slides and digital images.

Gerald Brooks 'Indian Holy Man'

The many great prints/slides at this year's fair were fun to see, and the fact that many of the winners were from the club was great. We would hope to see more members' work next year. As always, the fair does promote the Valley Camera Club as a place where budding photographers can go for encouragement in their efforts to improve and to associate with others interested in photography. We also appreciated that Bill Demers and Carlene Hardt volunteered to assist with staffing the photo booth during one of the days at the fair. They did a good job of representing the camera clubs, answering questions about photography, and generally being an ambassador for photography. Bob Griffith assisted in both the set up of the display on the Thursday prior to the Fair and with the take-down on Sunday evening. Many thanks to these folks!

HAPPY THANKSGIVING EVERYONE!
